

Things to know about PCC League

- **It is mandatory to attend May 6th meeting** for safety briefing and waiver signing before shooting. (**Please try to be present by no later than 5pm**).
- You will need a **minimum** of 3 magazines (we will be loading a **maximum of 10 rounds/magazine**).
You will shoot a **minimum** of 30 rounds of ammo/scenario. (4th mag is OK if needed to get the job done!!).
- You will need belt mag pouches for **at least 2**, preferably 3 magazines.
- **Chamber flags are mandatory at all times when not shooting.** You will be provided with one if you do not have one.
- We will strive for shooters to run through the scenario at least twice—(depending on turnout).
- If you do not own a PCC, bring 9mm ammo (minimum of 60 rounds or more/week) and someone will lend you a gun, magazines and mag pouches.
- BYOC (“Bring Your Own Chair” if you want to sit).
- Help setting up starting at 3:00pm would be greatly appreciated and work time will be provided.
